"We're excited to partner with Hamakua Federal Credit Union to bring affordable, in-house estate planning to their members. Legal Karma powers the experience with beautifully designed technology and hands-on support, so Hamakua Federal Credit Union can expand its services without adding complexity. Together, we're helping more families protect what matters most."
KORY KELLY, CEO - LEGAL KARMA

Legal Karma

Estate planning is an important step, and we're here to make the process simple and accessible. While we provide tools to help you create an estate plan, we are not a law firm and do not offer legal advice. Using our service is not a substitute for a lawyer and does not create an attorney-client relationship. If you have complex legal questions or need personalized advice, we encourage you to consult a licensed attorney.

Join us this year as we show our support and aloha for the wonderful, caring work of all those at the Children's Miracle Network hospital at Kapi'olani Medical Center for Women & Children.

We are accepting donations of any amount on their behalf here at the credit union.

Every \$10 donated will earn you an entry into our contest to win a 50 inch TV!

A winner will be drawn at close of business on Wednesday, September 30, 2026.

We also have a variety of scrumptious goodies available to choose from,
all proceeds going to the Children's Miracle Network.

Stop by the office or give us a call today!

Meet Seeley Borges, Hawai'i's 2026 Children's Miracle Network Champion!

Just two and a half weeks after her birth, Seeley developed a persistent fever. At Wilcox Medical Center on Kaua'i, tests revealed her white blood cell count was dangerously high. She was medevacked to Kapi'olani Medical Center for Women & Children, where she was diagnosed with acute myeloid leukemia — becoming the youngest patient in the country to begin a specialized chemotherapy protocol. Seeley remained at Kapi'olani for three months, receiving expert, round-the-clock care. When doctors determined she needed a bone marrow transplant, her team coordinated a transfer to Seattle Children's Hospital, where her mother served as a half-match stem cell donor during a clinical trial. After eight months in Seattle, Seeley returned home and continues follow-up care with her oncology team at Kapi'olani. Today, she is a thriving toddler whose journey reflects both remarkable resilience and the power of expert, compassionate care.

Please Pardon Our Dust!

Office renovations will begin in the very near future.

Stay tuned for updates!

Essentials of a Home Survival Kit

Battery or solar powered AM/FM radio.
Flashlights and Extra batteries.
First aid kit.
Prescriptions and over-the-counter medications.
At least 5-7 days supply of non-perishable foods.
Grill with charcoal and/or camping stove with fuel.
Manual can opener.
Matches or lighter.
Disposable plates and kitchen utensils.
Generator and fuel.

At least one (1) gallon of water per person, per day for drinking, cooking, and hygiene. It is important to have available containers for water should service be interrupted. Ensure water containers are readily available.

[To store water, use bathtub, rubbish containers, and washing machines for hygiene.]

Pet food if you have animals.

***The time to prepare your home survival kit
is before you need it.***
